Ah, what's that as then?

Red from Nagelkote...

I don't know one before, so it's very rare...

Red is what's called from Simon

Red Stone Fish... are probably from the water...

That came from Lancel.

It's a dragon meat. Good material that can be used in many ways.

I don't know they called...

Okay

Okay, would you hand me the ribbon you got on the other side?

Now, promise me you won't use magic or even experiment with it without telling me first.

Normally they're suffocating things, but your body is able to calm itself down, so it's well suited for you.

...Okay

These were originally made to punish magi and wizards.

They almost entirely cut off the production and absorption of magical energy.

魔法使いの嫁

Without magic,
it's like I can't
do anything.

They've given me
so much, and...
and I can't give
them anything
in return.

there are still things I can do, and I should do them.

And I can make medicines too, just not ones that need magic.

No, I can just ask Hazel to deliver my letters.

I can still tend to the gardens and fields, too.

But wouldn't it be more polite to tell them now?

You can do that another time.

...Fine, but I'm going with you.

Hub?

Simon?

I want to go and say thank you to Simon.

I wonder

I told you I wouldn't do that again, at least not without asking you first.

I...

Can't leave you slipping away to London again, can we?

Are you
looking for
your little
brother?

...You believe me?

...I try to believe all the strange things I come across, yes...

Help me find my brother!

Please!

I came here for Christmas to visit my grandmother.

Me and the rest of my family.

...My name is Stella Bardem.

Ethan seemed to really like the snow, and he said he didn't want to go back home.

So I took him with me to... to the garden in front of the house.

Ethan— my brother— had never seen snow before.

So I got mad and left him out there in the garden.

So...

I told him he'd catch a cold... he's always been a bit frail, you know. But he refused to listen.

So we had a bit of an argument.

But all of them... Mom and Dad, and even Grandma... they just looked at me strangely.

I told my parents that Ethan was missing.

But no matter how long I waited he didn't come in. I went out to see how he was doing, only...

.....

WHEN OUR KIND HELPS HUMANS, WE EXPECT TO RECEIVE SOMETHING IN RETURN.

Coo...

Cookies.

I-I don't have
any money...
I don't have
anything.

That's all
that I can
offer...

Th-That is,
we come
to visit
at least
once a
month.

Every
month
I come
here.

One...

S-So I'll
make lots
lots and lots
of cookies!
So many
you can't
even hold
them all!

Nio, Nio ~
He's a
magpie.

Is it
A, a, a
magpie?

You're
not using
your
glamour?

She made
a contract,
even if it
was only
spoken.

I won't
hide myself
from someone
who's made a
pact with me.

Are you
only looking
at magpies?

A LITTLE?

You must be
a little scared.
You can't have
been expecting
all of what's
happened to
you today.

Don't.

Then...
I suppose
you
get it?

...it's a little far from the house considering he just wanted to see some snow.

We're looking for something that watches people, so they don't get together.

You especially shouldn't stray far from us.

Okay.

Here-

?

Wow! It's so beautiful! What is this?

Take this.

So this is where he was when he disappeared?

Mmm.

魔法使いの嫁

Looks
but we
can't use
this
ritual.

Someone is
blocking it.

It will
probably
be faster
to find one of
our neighbors
who lives nearby
and ask for
their help.

Most likely
any spell
I try will yield
the same
results...

WAAH?

fwump

Here.

But they
have a way
of trying to
brick us,
so...

*A hawthorn
spirit...*

*do you
need
help?*

*A Gray Vega
is like a
queen bee.*

*The queen bee
is treasured
because she
gives birth
to the king's
children.*

*...I will
help you if
I give it
something
in return.*

It's fine, don't wo-

You're bleeding?!

Cried

Light

You idiot!

How
could I not
worry?!

But
the one
just now
wanted
blood

For those
who want
flowers, she
gives them,
and opens
the way

She's
paying the
price

What
have you
been
doing?!

魔法使いの嫁

...I'll look forward to your cookies.

...Thank you, Celine.

Let's hurry.

Normally, you should be the one who realizes that and stops yourself!

...Just stop me if you think I'm in danger, okay?

I'm the one who said I would.

We'll get some proper treatment for it when we get home.

—Sorry, Celine.

Give him
back?

what a
strange
thing she
says...

Give him
back!

That's my
brother!

but
you were
the one who
threw him
away
